

## Cctv Protection Plan

The Cctv Protection Plan will cover the replacement costs for damaged Cctv equipment that you are leasing from Cascade Communications.

Items that will be **covered**:

- Set Top Boxes
- Remote Controls
- In-Home Transport Devices (i.e. HPNA)
- In-Home Wiring installed to provide Video Services to your set top boxes when installed in accordance with industry standards.

Items specifically **not covered** by Cctv Protection Plan include but are not limited to:

- Theft
- Malicious or intentional damage

Cascade Communications reserves the right to terminate the Plan at our sole discretion for recurring, intentional or malicious damages.

New subscribers to this plan that do not immediately subscribe to the plan after Cascade Communications Company installs the service must wait 30 days from the date they requested the plan for coverage to begin.

Cascade Communication's liability under the plan is limited to repair or replacement of covered items. Damage to any other items for any reason is not the responsibility of Cascade Communications Company.

The current fee for this service is **\$4.95 per month**.
