

AFFORDABLE CONNECTIVITY PROGRAM NOTICE

Cascade Communications Company has been authorized to participate in and provide our customers benefits under the Affordable Connectivity Program (ACP). The ACP Program is a government benefit program operated by the Federal Communications Commission. The program reduces broadband internet access service bills for qualified households. If the program ends, or when a household is no longer eligible, subscribers will be subject to the provider's regular rates, terms and conditions.

If a consumer participates in one of the following government assistance programs, their household qualifies for the ACP:

- Lifeline, having qualified based on income at or below 135% of Federal Poverty Guidelines or through participation in one of the following programs:
 - Supplemental Nutrition Assistance Program (SNAP)
 - Medicaid
 - Supplemental Security Income (SSI)
 - Federal Public Housing Assistance (FPHA)
 - Veterans Pension or Survivors
- Federal Pell Grant in the current award year
- Free and Reduced Price School Lunch Program or School Breakfast Program including at US Department of Agriculture Community Eligibility Provision schools
- Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)

A household with income at or below 200% of Federal Poverty Guidelines also qualifies.

The ACP benefit is non-transferrable and limited to one monthly internet discount and where available a one-time connected device discount per household.

Enrollment in the ACP and Lifeline programs are separate processes and consumers can choose to apply both benefits to the same service or different services, or use each benefit with different service providers.

To enroll in the program:

1. Go to [ACPBenefit.org](https://www.acpbenefit.org) to submit an application or print out a mail-in application.
2. Contact your Cascade Communications at 563-852-3710 or stop by our business office at 106 Taylor St SE, Cascade, IA to select a plan and have the discount applied to your bill.
