

Update

Summer 2023

Streaming Care Program

As you know, we are breaking free from cable TV - and so can you. By cutting the cord you can still watch the shows you do now. Actually, by replacing cable you can pick your favorite content and could lower your current monthly bill.

We invite you to join us for weekly streaming demonstrations at our office. Our streaming center will provide you with a hands-on experience to streaming. Learn what you will need to get started, how streaming works, and the best streaming app(s) to fit your programming needs. Our office staff will answer your questions and/or concerns while providing you with simple step-by-step guidance.

Starting on Tuesday June 6th, and every Tuesday thereafter through 2023, we will have sessions beginning at 2 pm until 4 pm. These are by appointment only, so please call our office or email us to reserve your spot on our calendar.

Although you are welcome to stop in our office anytime, these scheduled times will ensure there is someone available to answer all your questions. Let us show you how easy it can be to start streaming!

*Happy 1st
Day of Summer
June 21st*

- No contract and no hidden fees
- Managed Wi-Fi service & whole home coverage

**Stream more, game more,
connect more!**

FREE WI-FI

Enjoy FREE Wi-Fi provided by Cascade Communications at the pool this summer!

Summertime Recipe - Watermelon Yogurt Pops

Ingredients:

- 3 cups cubed watermelon
- 1/2 cup plain Greek yogurt
- 1/4 cup granulated sugar
- 1 tablespoon lemon juice

Instructions:

In a blender, blend together the watermelon, yogurt, sugar, and lemon juice until smooth.

Transfer the mixture to your popsicle molds and insert sticks. Freeze until firm, about 4 hours (24 hours is preferred to allow the flavors to develop).

Enjoy!

Billing Name and Address Annual Notification

The FCC requires us, under certain circumstances, to release the Billing Name and Address (BNA) of telephone customers to telecommunications service providers. The main reason for releasing BNA information is to ensure proper billing for certain types of calls. For instance, calls such as collect, third number or calling card calls may be carried by an interexchange carrier who is not your presubscribed interexchange carrier or who does not have a billing contract with our company. Under these circumstances, the carrier does not know who to bill the call to and therefore, must request the BNA from our company in order to bill the call. We must provide the information to the requesting carrier.

BNA can also be released for several other reasons, including, verification for presubscription and new address purposes, fraud prevention and similar non-marketing purposes.

If you have an unlisted or non-published telephone number, you have a choice. If you do not want your BNA released by our company, we need affirmative notification from you. You should know that if you provide us with such notification, your ability to make third number or calling card calls, or to receive collect calls could be denied. Should you have any question regarding this matter, please call our business office.
