Make the most out of your Wi-Fi
with Blast Wireless Router
& CommandIQ App

The CommandIQ app gives the power to control every device within your home network. This FREE and easy-to-use app is the connectivity command center for your Wi-Fi, allowing you to create the ultimate internet experience for you and your family.

- ☑ See who and what is connected to your Wi-Fi network
- ☑ Quickly create and share a guest network for visitors
- ☑ Run bandwidth test
- ☑ Create individual profiles for the users in your home
- ☑ Change your Wi-Fi password
- ☑ Monitor usage and schedule offline times for healthy screen time habits

Account Setup is as Easy as 1-2-3

- **Step One: Download App**
  In the App Store, search for CommadIQ
- **Step Two: Create Account**
  Once the app is downloaded, create an account with your NAME, EMAIL, and PASSWORD.
- **Step Three: Connect Your Home**
  Tap the QR code that appears within the app. Point your camera at the QR code on the router (found on the bottom of the Blast or on the back side of the Gigacenter)
