The terms and provisions of this AUP do not limit any rights to suspend or terminate service that Company otherwise possesses under your Service Contract, if any, our Standard Terms and Conditions of Service, our service guide and rate schedule, or applicable law.

Please read the Acceptable Use Policy carefully before you start to use the service. **By using the service, you accept and agree to be bound and abide by this Acceptable Use Policy and our Privacy Policy, found at <http://www.cascadecomm.com/content/forms>.** If you do not agree to this Acceptable Use Policy, you shall not access or use the service.

2. Applicability

This AUP applies to you as a customer and to any other person, authorized or unauthorized, using your service (collectively "User"). For purposes of this AUP, your use includes, and you are responsible for, the use of all Users who access service through your account. It is your responsibility to take precautions to limit access to service to approved Users.

By using the service you certify that you are at least 18 years of age, or older, reside in the United States or any of its territories or possessions, and meet all of the foregoing eligibility requirements. If you do not meet all of these requirements, you shall not access or use the service.

The Company permits use of the service by minors, subject, however, to your supervision and monitoring. You are solely responsible for actions taken by minors accessing the service through your account.

3. Changes to the Acceptable Use Policy

We may revise and update the Acceptable Use Policy from time to time in our sole discretion. All changes are effective immediately when we post them on our website at <http://www.cascadecomm.com/>, and apply to all access to and use of the service thereafter. However, any changes to the dispute resolution provisions set forth in Governing Law and Jurisdiction will not apply to any disputes for which the parties have actual notice on or prior to the date the change is posted on the service.

Your continued use of the service following the posting of a revised Acceptable Use Policy means that you accept and agree to the changes.

4. Accessing the Service and Account Security

We reserve the right to withdraw or amend this service, and any service or material we provide to the service, in our sole discretion, without notice. We will not be liable if, for any reason, all or any part of the service is unavailable at any time or for any period. From time to time, we may restrict access to some parts of the service, or the entire service.

You are responsible for:

- Ensuring all information provided to register the service is correct, current and complete.
- Treat all usernames, passwords or other security information confidential, and agree to notify us immediately of any unauthorized access to or use of your user name or password or any other breach of security.
- Ensure that you exit from your account at the end of each session.
